MAXXGARDEN

Telescopic hedge trimmer

Comfortable and effective working, saving you time and guaranteeing great results with little effort. Your garden will experience a make-over using the Maxxgarden Telescopic hedge trimmer.

- With the powerful 710 W motor you can easily cut bushes, shrubs, hedges and ground cover
- Very suitable for low and high hedges due to the detachable telescopic handle
- 140° tilting head for easy cutting of the top of high hedges
- With a range of about 3.5 meters, there is no hedge too high
- Adjustable ergonomic handle to work comfortably in any pruning position with sufficient grip
