MAXXHEAT

4-in-1 Multi-heater

Safe and environmental friendly

The Maxxheat is the home and garden tool: a multifunctional electric weed killer with detachable pole. But the Maxxheat is more: you simply change this weed killer in a powerful hot air gun or in a safe and fast barbecue lighter. A 4-in-1 combi-tool! With the click&go pole, the unique rotatable handle and specially designed nozzles, the Batavia Maxxheat is a multifunctional innovation.

- Easy and fast: destroys weed by heating in only 5 seconds
- Powerful hot air gun: with three temperature settings up to 600 °C
- Safe: also suitable as a safe and fast barbecue lighter
- Complete: includes four specially designed nozzles and click&go pole
- **NEW:** stainless steel heating pin for specific targeting of weed underground; no brown spots in the lawn or collateral damage within the flowerbed or vegetable garden
